

## **PEphoto announced today that photo books are now available through the PEphoto online photo service**

*By PEphoto*

*Dated: May 21, 2008*

*The photo books are available in 4x4, 5x5, and 8.5x11 sizes, in both hard cover and spiral-bound formats.*

PEphoto announced today that photo books are now available through the PEphoto online photo service, provided by LifePics. The photo books are available in 4x4, 5x5, and 8.5x11 sizes, in both hard cover and spiral-bound formats. PEphoto is also offering a free photo book to anyone who signs up at <http://www.pephoto.com/coupon.php>.

“Photo books are an increasingly popular product, and are quickly becoming the fashionable way to document vacations, weddings, parties, and other events,” said , at PEphoto. “We are thrilled to offer our customers a diverse selection of photo books. As the online-to-retail channel continues to become consumers’ preferred method for ordering prints and photo products, we are confident that our photo book offering will please our customers and increase our order volume substantially.”
